

START ROUTE DU RHUM 2022

115 medias

Following unfavorable weather for the first hours of the race, the 138 competitors in the Route du Rhum destination Guadeloupe 2022 set off on November 9, after a three-day wait. A much milder weather under the sun, and with about fifteen knots on the line in the axis, forced the competitors to tack to reach the Fréhel buoy. Photos also available from the AleA photo agency.
